## VOLUNTEER OF THE YEAR 2018

# Tony Ryner

Not often does an organization retain former board members to take on leadership roles, but Tony Ryner is that man! Tony joined the board in 2010, serving as Chairman of the Board from 2014-2016 and Treasurer from 2011-13. He's chaired the Investment Committee since 2011, and continues that role today. In the fall of 2018, Tony will once again take up the financial reins of Crooked Tree Arts Center as Treasurer. Crooked Tree Arts Center is so fortunate to have Tony on the team.

Tony and his wife Juli were first introduced to Crooked Tree Arts Center as guests at D'Art for Art in 2006. And...they haven't missed one yet! They enjoy Swirl, concerts, exhibit openings, and the CTAC School of Ballet performances. Together they have introduced CTAC to many of their friends, often filling multiple tables at D'Art. For over a decade, Tony has volunteered hundreds of hours to the benefit of CTAC and is one of our best champions. We thank you Tony for your continued service and dedication to our mission.

**GIVING LEGEND:**

\* **Membership Dues**

♦ **Donations**

◆ **Support for D'Art for Art or other fundraising events**

This wonderful "role call" of our members and donors includes those people/organizations that either paid membership, provided a cash donation, or purchased a ticket for a fundraising event. The list is derived from our fiscal year of April 1, 2017 through March 31, 2018. If we have neglected to mention any of the ways in which you have supported CTAC please contact us so we can make the necessary corrections. We are so very grateful for the generosity of our donors and it is important to us that each of you are properly recognized.

## JOHN AND SALLY CLARK LEGACY SOCIETY

Please consider supporting Crooked Tree Arts Center through a planned gift. If you would like to have a confidential conversation about giving options, or if you have already included us in your estate plans, please contact us. We'd be delighted to meet with you to achieve your philanthropic goals.
