In Loving Memory

The 2009 D'Art for Art Committee would like to dedicate this evening in loving memory of Bonnie Gowans, the beloved mother of Liz Ahrens, CTAC's Executive Director. Bonnie was a joy to be around and her generous spirit overflowed to her support of Crooked Tree Arts Center where she shared both her time and talents. In addition to being a Renaissance Society member, she was an enthusiastic member of the D'Art for Art Committee. She had a passion for obtaining unique destination experiences to include in the D'Art auctions, and—her natural charm and persistence made it nearly impossible for donors to refuse her. Over the years she secured many (and sometimes the majority) of the donations received for the auction. Her kindness and dedication are much admired, and she is fondly remembered and greatly missed. Bonnie, Thank you.
