

# Materials List

Instructor: **Ragnar Avery**

Day/Time: **Wednesday, October 10, 1:00-4:00 PM or  
6:00 - 9:00 PM**

Class/Workshop: **Photography - Photographing your  
Art**

---

Camera- you are welcome to use your smartphone, iPad, digital camera or SLR

Please download PhotoShop Express to your smartphone, iPad or a laptop. Make sure you can open PhotoShop Express prior to the start of your class. If you have any questions, please contact Kristi Wodek at 715-3899.

Please bring a 2D object that you would like to photograph for practice during the workshop.

2D object should not have a varnish/final coating as it is too difficult to photograph without getting a glare.

If you are interested in photographing 3D pieces Ragnar will discuss troubleshooting techniques.
