Sketch Book- keep in mind you will be adding to each page so you want to choose a sketchbook that will accommodate the added dimension. You will also want pages that are more than 20 lb (weight of copy paper) so that your added decorating doesn't bleed through to the other pages.

Magazines (CTAC does have some magazines available- bring if you have some magazines that you have on hand or like)

Decorative papers- bring papers that appeal to you

Ephemera- any momentos that you have been saving that you would like to add to personalize your journal.

Amber will help you think outside of the box and use the materials that you have available at your home.
