Ultramarine Blue or Primary Blue
Cerulean Blue
Cadmium Red Medium or Cadmium Red Light or Pyrrole Red or Primary Red
Alizarin Crimson or Quinacridone Magenta
Primary Yellow or Lemon Yellow
Cadmium Yellow Medium or Cadmium Yellow Dark
Ivory Black
Titanium White
Burnt Umber

Brushes

Brushes are funny, they are numbered, but some brands use numbers for big that others use for small, so I would say to describe it like this:

- One brush that is synthetic that is about 1/2" wide, can be a flat or a filbert style
- One (synthetic) that is about 1/4" wide, either flat or filbert
- One (synthetic) small brush that is round

This would be the minimum. Two or three of the same size is fine and helpful.

Sometimes Joann Fabrics sells a set by Royal Langnickel called Big Kids Choice and that is nice and not very expensive.

Canvas

Total of three canvases. Size suggested: 10 x 12, 11 x 14, 12 x 16
If your reference photo is a square consider a 12x12 canvas

Other

Pad of palette paper or a Masterson Sta-wet Palette with the Acrylic Paper Refills, or a large plastic tray of some sort.

Water container- holds 2-2.5 quarts of water

Bring an apron or paint shirt (or wear old clothes)

Bring multiple photos of subjects you would like to explore.
