

## **Spencer Meagher Supply List - Plein Air Acrylic Workshop**

If you have acrylic supplies already, bring them. No need to spend a bunch of money unnecessarily. If you have any questions about what you have regarding whether it will work, shoot me an email and we can talk.

### **Acrylic Paints**

Master's Touch is on sale 50% every other week at Hobby Lobby. Catch it right and you can pick these up for about \$2.00 per tube. This is a HUGE savings!

Liquitex Basics are about a dollar a tube more expensive than Master's Touch.

\*You can also buy these paints in smaller sets that may or may not have all these colors. It's worth looking into.

**Recommended colors** are approximate and may be named differently by brand:

White  
Black  
Naples Yellow  
Raw Sienna  
Lemon Yellow  
Cad Yellow Medium  
Cobalt Blue  
Ultramarine Blue  
Alizarin Crimson  
Cad Red  
Pthalo Green

### **Paint Brushes**

Master's Touch brushes are also on sale 50% off every other week. The white or gold taklon should work well. I recommend a **flat in sizes #12, 6, and 2, a script or liner brush and a small round bristle brush** for sketching your painting.

### **Canvas**

Master's Touch canvas works great. I prefer the texture of watercolor canvas, but that is just me. 9x12" should be good. These come in a five pack so you can split the costs with another student if you like.

### **Palette**

Master's Touch. I use a glass palette most of the time, but these inexpensive paper palettes work wonderful and they are cheap!

**Easel**

You will need something to hold your canvas at an angle. I recommend a tripod or Julian easel, but the table easels work if you bring something to set it on. These low end easels will work great for that! And guess what?

**Working outdoors**

**Don't forget** a wide brimmed hat, insect repellent, water buckets, spray bottle for misting your palette, paper towels, pencil and paper for any notes. You may want to bring a chair and small table to work from. Anything you can think of. Come with a good attitude and be prepared to have fun and learn!
