

## All About Me by Payton Yeskey

I am from the womb,  
From the pearl and light,  
I am from the dragon fruit  
Of cotton candy and ice,  
I am from the whomping willow  
Whose long gone limbs  
I remember as if they were my own.

I'm from orange and crazy,  
From mom and dad,  
I'm from gaming and partying  
And from comfort and land,

I'm from only win the game  
And trying your best at that,  
And Something in the Orange,  
I'm from over the seas,  
I'm from Gaylord and Detroit.

Potpie and churros,  
From poland and ice, pretty and kind,  
To the jewelry in my hand  
That is always ice  
As it is colder than land.
