The Demanding Pround

By: Calista Hoeksema

Grade: 5

School: Ellsworth Public School

The demanding Pround
grows up from the ground,
and as soon as he sprouts
he whines and he pouts.
His temper is awful,
he's terribly rude,
and every day
he's in a bad mood.
He hurls insults all day
and lies all night.
He's nosy, he's grouchy,
and starts horrible fights.

I was tired of this
and knew what to do...

I chopped him all up
and made some Pround stew!
