

Poetry Honorable Mention
“Spring” by Sam Kaufman
Petoskey Montessori Children’s House, 3rd Grade

Spring is coming!
Sun is shining on the snow.
Snow starts to melt.
My boots stick in the mud.
Water drips beneath the ground.
Moisture hits the roots.
Sun shines down on the soil.
Plants start to grow.
When the ice melts,
Petoskey stones show.
Sun shines hotter and hotter,
Bringing longer days.
Spring is coming!
