**“Your Soul” by Helene Norcross**

**Petoskey Montessori Children’s House, 1st Grade**

When you shiver, the ghosts are near.  
The coldness of the phantom here.  
The paintings on the wall,  
will disappear without a crawl.  
The air is a ghost haunting your soul.  
The ghost inside you is just your soul.  
But the air around you is full of fright.
