“World Traveler”

By: James Holt

Grade: 5

School: St. Francis Xavier

There is a world traveler that likes to roam.
He travels alone with the journey as his home.
He meets new people and new friends.
He'll have met a million people when his journey ends.
He went to Egypt and saw the Great Pyramid of Giza.
He visited Italy and saw the Leaning Tower of Pisa.
He has visited the Vatican in Rome,
He also has visited the Taj Mahal's dome.
In Brazil he saw Christ the Redeemer.
Then, while in Madagascar he saw a lemur.
In Antarctica the weather was very cold.
In Colorado he saw where people mined for gold.
He also found out that Greenland is not green.
The reality is the weather there is quite mean.
He thought about settling in Canada or France.
But then he realized there was no chance.
He still had so many places to go.
He wanted to visit China, Chile, and Morocco.
He has found that no matter what you do
Make sure it is a thing that you would love to pursue.
