“I Am From”
Kaylie Young
8th Grade
Boyne Falls

I am from four-wheelers
From love and care
I am from the chaos of my home
And the candle light in the late afternoon
I am from the roses of summer time
The beautiful green tree that's long gone

I'm from blue and green eyes
From my nana and mother
I'm from cold winters and gorgeous summers
And from the beautiful falls
I'm from “easy lovin you” and hugs
Dreaming big to achieve my dreams
I'm from Texas flip n' move

I'm from Michigan and Georgia
Bob Evans and deserts
From Bear greeting me at the door
The old amazing dog
From him nuzzling his head on my hand
He will always be in my heart
He is my best friend I will never forget
