

Third Place Poetry – Elementary School

“COVID-19 Poem”

Megan Kaatz

3rd Grade

Ottawa Elementary

School is gone
Stores are empty
People are disappearing
Kids aren't cheering
Parents can't roam
Food is running out
Grass won't even sprout
Flowers aren't blooming
Nurses are stressed
Doctors are depressed
Police are infected
No one is protected
Time is changing
School is online
Stores are under stocked
Nurses are exhausted
But everyone has toilet paper
